

How to subscribe to IP-community mailing list:

1. Click on: <https://groupes.renater.fr/sympa/subscribe/ip-community>

The entire system should be in English but the first step are in French (could not fix it yet)

Fill up the very complicated form (see below):

sympa

ip-community - International IP community

ip-community@groupes.renater.fr

Objet : International IP community

Vous avez demandé un abonnement à la liste ip-community. Pour confirmer cette demande, prière de cliquer sur le bouton ci-dessous :

Votre adresse email :

Nom :

e-mail
name
validation

2. Confirm your choice:

sympa

ip-community - International IP community

ip-community@groupes.renater.fr

Objet : International IP community

☒ S'abonner

Voulez-vous vous abonner à la liste ip-community ?

Confirmation

3. Welcome to IP-Community, you are good to go !

(and from that point, everything is in English)

sympa

ip-community - International IP community

ip-community@groupes.renater.fr

Objet : International IP community

Description : This mailing list aims at improving the communication between worldwide researchers on Induced Polarization.

It is intended to share information, announcement, publication, workshop, job posts, etc.

4. You can send your email to ip-community@groupes.renater.fr
5. You can send me remarks (and complaints if needed): [damien.jougnot\[at\]upmc.fr](mailto:damien.jougnot[at]upmc.fr)
